

Technical drawing of the 'Ergo' adjustable desk system, showing dimensions and components. The drawing includes a side view of the desk assembly and a detailed view of the extension mechanism.

Dimensions:

- Overall width: 235
- Base width: 146
- Extension width: 89
- Base height: 69.5
- Extension height: 46
- Base part height: 15 - 43
- Extension part height: 45
- Short pad height: 102
- Short arm height: 131
- Adjustable height range: 85 - 450 MM

Components:

- BASE PART 65 MM (SOLID)
- EXTENSION PART 100 MM
- EXTENSION PART 200 MM
- SHORT PAD, 131 mm
- SHORT ARM, 146 + 89 mm
- ADJUSTABLE HEIGHT 85 - 450 MM

Technical drawing of the ErgoChair 2 showing dimensions and components. The drawing includes a side view of the chair and a detailed view of the base and extension parts.

Dimensions:

- Overall width: 271 mm
- Distance from backrest to front casters: 146 mm
- Distance from front casters to front edge of seat: 125 mm
- Distance from backrest to front edge of seat: 69.5 mm
- Distance from front casters to front edge of seat: 46 mm
- Distance from front casters to front edge of seat: 15 - 43 mm
- Distance from front casters to front edge of seat: 45 mm
- Distance from front casters to front edge of seat: 102 mm
- Distance from front casters to front edge of seat: 131 mm

Components:

- EXTENSION PART 100 MM
- EXTENSION PART 200 MM
- BASE PART 65 MM [SOLID]
- ADJUSTABLE HEIGHT 85 - 450 MM
- SHORT PAD, 131 mm
- LONG ARM, 146 + 125 mm
