

# Rest Forearm Support Large

---

## Ergonomic benefits

- + Rest Forearm Support provide support to the whole Forearm, not only to the wrist.
- + Thanks to the U shape body is closer to the desk close to the working tools reducing muscular tensions of the arms, shoulder and neck at the minimum.
- + Comfortable cushion surface
- + Additional desk space - Compatible with desk with corners or curved surfaces
- + Quick and easy attachment to desks - no necessary tools
- + Attachable to all typical desktops, as well as to desks with frames beneath the edges – the attachment bows go under the frame.
