

||| GOLDTOUCH Go!2 MOBILE KEYBOARD

Designed from the ground up for the mobile or office professional, the new light and sleek Goldtouch Go!2 Mobile Keyboard offers personalized comfort that's uniquely adjustable. And it folds to a compact size for even greater travel convenience.

The patented ball-and-lever locking mechanism, integrated in the Goldtouch Go!2 Mobile Keyboard, adjusts to the unique needs of every individual — who vary according to body type, height, weight, shoulder width, and hand position.

This kind of personalization is what makes the Goldtouch Go!2 Mobile Keyboard the only travel keyboard that can significantly improve personal productivity while reducing the risks associated with repetitive strain injuries (RSIs) like carpal tunnel syndrome.

Business travelers will immediately appreciate how light and portable the Goldtouch Go!2 Mobile Keyboard is — after all, it was designed with them in mind. Plus, its full-sized keys are silent, fast and responsive. The keyboard works with both Windows® and Mac® platforms for broad compatibility.

The value of the new Goldtouch Go!2 Mobile Keyboard goes way beyond innovation. But don't take our word for it. You can try out the new Goldtouch Go!2 Mobile Keyboard by contacting one of our authorized resellers.

||| FEATURES AND BENEFITS

- **Adjustable:** 0°–30° adjustment along the horizontal plane, combined with additional 0°–30° individual adjustments for vertical tenting.
- **Comfortable:** Scissor-switch key system for fluid, silent tactile feedback.
- **Compact:** Ready to use in tight places, like airplanes or hotel desks. Its unique, fold-down feature offers travel convenience.
- **Plug-and-Play:** Features driver-free installation for both Mac and PC, making it a truly Plug-and-Play solution.
- **Compatible:** Works with PCs or Mac OS®, supporting Windows 10, 8, 7, Vista, XP, 2000 and Mac OS 10.4 and above. Multimedia key support for both Windows and Mac OS.

The Go!2 Mobile Keyboard folds in half for convenient storage while on the go.
