

Leitz Ergo Electric Compact Sit-Stand Desk

Code: 65340001

SIT – STAND – MOVE Whether you want to adopt a healthier lifestyle or avoid aches at work, our compact sit-stand desks are designed to take your workspace to new heights. The compact 80 x 60 cm desktop design is ideal for flexible use or as a temporary desk when space is limited. Perfect as a small home office desk, for temporary working areas or meeting rooms, it provides space for a screen, laptop, keyboard and other accessories such as wrist rests and mouse pads. This desk features an electric height adjustment function, a smart standing position reminder and 4 memory functions that make it easy to find the perfect ergonomic position. Effortlessly switch from sitting to standing to avoid aches and pains and encourage muscle movement. Easy-to-use control panel with child safety lock, overheating protection, USB-C & USB-A ports, height display, anti-collision function and cable management.
