

# Leitz Ergo Foldable Sit-Stand Desk

Code: 65880001

Imagine an ergonomic sit-stand desk cleverly designed to fit perfectly into your daily routine, even in the most confined spaces. This desk folds effortlessly to just 16 cm wide, making it ideal for storage beside a wardrobe, under the bed, sofa, or in meeting rooms when not in use. Weighing only 11 kg, it is easy to move. Thanks to its ease of setup and compact size, you can place it anywhere with complete simplicity. Its modern design enhances comfort and productivity, creating a workspace conducive to well-being. The compact design with a 65 x 46 cm surface is spacious enough to accommodate a laptop with stand, keyboard, mouse and even your favourite coffee cup! The GS and TÜV certified desk (tested safety) features pneumatic height adjustment (74–109 cm), allowing you to find the perfect ergonomic position, seated or standing. The portable sit-stand desk is ideal for flexible use or as a temporary desk when space is limited in your living room, dining room, bedroom, office spaces and meeting rooms.

## Features

- Clever ergonomic sit-stand desk that adapts perfectly to small spaces for flexible and temporary work. Folds to 16 cm wide and is easy to move, set up and place anywhere
- Effortlessly transition from sitting to standing thanks to pneumatic height adjustment (74–109 cm) to avoid aches and pains while encouraging muscle movement for better well-being
- 65 x 46 x 1.8 cm desktop with a maximum load of 20 kg to accommodate a screen, laptop with stand, keyboard, mouse and wrist rest
- Fully foldable desktop and legs making this small desk ultra-flat (16 cm) for storage when not in use, saving space, stable and no risk of tipping when stored
- Quick and easy to set up and fold away for storage out of sight, so your personal workspace remains organised and clutter-free
- Lightweight at 11 kg with a comfortable integrated handle making it easy to carry when folded
- Scratch-resistant adjustable feet to protect floors and keep the folding desk stable on uneven surfaces
- Tested and recommended by the German Institute for Health and Ergonomics (IGR) in accordance with DIN 26800 EN ISO 15537. Certified by German TÜV and GS (tested safety) organisations in accordance with standard PPP 51962A
- Delivered fully assembled in plastic-free recyclable packaging with an easy-to-follow instruction manual
- Includes lectern function accessory
