

Writing platform & Document Holder **Modulo**

The Modulo document holder is a simple and effective solution allowing an optimal layout of the workstation, while offering direct reading of documents, thus limiting cervical twists and visual fatigue.

It has a sliding tray to ensure good support close to the body when taking notes. Thanks to a very simple system, its inclination can be adjusted to 14 levels to adapt to the constraints of the workstation and the needs of the user.

Données techniques

Rear part height	9.5 - 12 cm
Dimensions (W x D)	51.4 - 38.5 cm
Sliding tray dimensions (W x D)	51.4 - 30 cm
Span	0.7 cm on the sides and 1.3 cm in the middle
Weight	2.3 Kg
Tilt adjustment levels	14
Tray	Sliding
Warranty	2 years

USP:

- Simple and robust design
- Sliding tray for easy note taking
- Tilt adjustment
- Ruler to guide the reading of documents
- Extra-flat position for a low position of the screen
